

LEIGH- ALEXANDRA JACOB

VFX ARTIST

I'm a VES award-winning artist with nearly 30 years of experience in props, scenic art, and practical effects. My work spans Oscar-winning films like *Inception* and *The Dark Knight*, the Emmy-winning miniseries *From the Earth to the Moon*, and stop-motion features like the Golden Globe-winning *Missing Link*. I've collaborated with brands like Microsoft and Hasbro, and musical artists such as Kelis and the Backstreet Boys, blending artistic vision with technical precision to push the boundaries of visual storytelling.
